레퍼런스 이미지 — 생성처와 프롬프트 전체

어디서 생성하나

선택지	장점	단점	권고
Dreamina AI 이미지 (같은 계정, Seedream 모델)	영상 모델과 같은 생태계라 스타일 전달 매끄러움. 크레딧 통합	다각도 캐릭터 시트는 수동	**기본**
Nano Banana (Gemini 이미지)	한 장 올리고 "측면으로" "손만 클로즈업" 식 편집이 강함. 캐릭터 시트 만들기 최적	별도 서비스	**인물 다각도용 보조**
GPT Image	지시 이해 정확	사실적 인물 생성 제한 있음	환경·소품
Midjourney	화질 최고	유료 별도, 일관성 옵션 학습 필요	선택

권고 흐름: Dreamina에서 정면 1장 확정 → Nano Banana에 올려 측면·¾·손·전신 파생 → 전부 `01_레퍼런스/`에 저장 → Dreamina 영상에 첨부.

공통 규칙

- 모든 이미지 **16:9 또는 3:2**, 최고 해상도.
- 인물은 **정면 · 측면 · ¾ · 손 클로즈업 · 전신** 5장. 영상 샷마다 필요한 각도를 골라 첨부.
- 환경은 **광각 1 + 디테일 1** 2장.
- 프롬프트 끝에 공통 STYLE 블록:

```
Photorealistic, cinematic still, 35mm film look, subtle grain, shallow depth of field.
No text, no watermark, no logo. Natural skin texture. Muted colors.
```

- 동굴 환경 추가:

```
Pitch-black lava cave. Single warm headlamp beam is the only light. Everything outside the beam is pure black.
Black basalt walls with bone-white calcite deposits. Not a limestone cave: do not brighten the whole cave.
```

A. 인물

R-DS25 동수 (64, 2025)

정면

```
Portrait, Korean man aged 64, short white hair, deeply weathered sun-lined face, heavy eyelids, calm tired expression.
Faded orange safety vest with reflective strips over a gray work shirt. Old scratched white hard hat with a faded utili
Thick calloused hands resting on knees. Warm single key light from the left, black background. + STYLE
```

측면 `Same man, strict left profile, same vest and hard hat, same light.` **¾** `Same man, three-quarter view looking slightly down, headlamp strap over hard hat (lamp off).` **손 클로즈업** `Close-up of the same man's thick weathered hands, prominent knuckles, old scars, dirt in the creases, resting palm-up on a rubber boat edge, warm headlamp light, black beyond.` **전신** `Full body, same man standing in a flat farm field at dusk, orange vest, hard hat, holding a dust-white yellow rubber glove at his side.`

R-DS05 동수 (43, 2005)

```
Portrait, the same Korean man at 43: short black hair wet with rain, lean weathered face, orange safety vest, white har
Overcast gray daylight, muddy field with black volcanic stone walls behind. Rain on skin. + STYLE
```

- 측면, 전신(삽을 든 채), 손(젖은 노란 고무장갑 낀 손) 3장.

R-HI 해인 (34)

정면

```
Portrait, Korean woman aged 34, black hair in a low ponytail, clear focused eyes, no makeup, small mole under left eye.
Black technical work jacket zipped to the chin, headlamp strapped across the forehead (lamp off), rugged waterproof tab
Warm single key light, black background. + STYLE
```

측면 `Same woman, strict right profile, headlamp strap visible, same jacket.` **¾** `Same woman, three-quarter view, looking down at a tablet screen that lights her face from below, cave darkness behind.` **손 클로즈업** `Close-up of the same woman's hand, slender with short clean nails, placed gently on top of an older man's thick weathered hand, both resting on a`

rubber boat edge, single warm headlamp light, pure black beyond. ← **9-3 전용. 가장 많이 생성 전신** Full body, same woman standing at the end of a line of people in black jackets in a dusk field, head bowed.

R-TEAM 연구원 군상

Six cave survey researchers in identical black technical jackets and headlamps, standing in two lines of three facing e across an open steel hatch in a flat farm field at blue dusk. Faces turned down and in shadow, no faces readable. Equipment cases set on the ground. Seen from behind the lines. + STYLE

- 변형: 동굴 안에서 헤드랜턴 원 여섯 개가 벽을 훑는 모습(인물은 실루엣).

R-SILLA 1,200년 전 사람들

Four figures in rough undyed hemp clothing holding pine torches inside a pitch-black lava cave, faces entirely outside one kneeling to set a round-bodied stoneware jar on dark sand at the water's edge. Only torchlight, deep orange, black

---

B. 동굴 환경 (심층분석 15번 문서 기준)

R-WALL 흰 탄산염 벽

Wide shot inside a lava tube. Black basalt wall with a 140-meter lava roll texture, over which bone-white calcite flows like frozen milk, with popcorn-like cave coral clusters. A single headlamp beam lights one circle of the wall; everythi Photorealistic cave photography. + STYLE + 동굴 추가

디테일 Macro of black basalt surface with white cave-coral nodules and a thin calcite curtain, water droplets, one warm beam.

R-ROOT 뿌리를 따라 자란 종유관

Cave ceiling of black basalt. Dozens of thin bone-white soda-straw stalactites hang down following the paths of tree ro some roots still visible inside the white tubes, one water drop swelling at a tip. Headlamp beam from below, black beyo

R-ROLL 용암두루마리

Tracking-shot still: a long lava-tube passage where the black basalt wall carries horizontal rolled ridges like a scrol Six headlamp beams at different heights light scattered circles on the wall. Pure black between. + STYLE + 동굴 추가

R-LAKE 호수

광각

Underground lake inside a lava tube, perfectly still black water. A small gray rubber boat with two seated figures. Their headlamps reflect off the water onto a low black basalt ceiling, making two circles of light. Pure black beyond.

수중 층 Headlamp beam shining down into clear dark water, a shimmering wavering boundary layer where fresh water meets denser salt water, like heat haze underwater, black below.

R-FISH 물고기 (고증 수정)

Macro photograph of a small cave goby, 4 cm long, translucent pale-pink body with the spine faintly visible, unusually large head, eyes reduced to two tiny dark dots sunken beneath the skin, no visible eyeball. Drifting in black water inside a single warm headlamp beam, not fleeing the light. + STYLE + 동굴 추가

R-SAND 호수 끝 모래 둑 (고증 수정)

Sand bank at the end of an underground lake. Several round-bodied Unified-Silla stoneware jars and bottles with stamped stand half-buried in dark sand, one tipped over, abalone shells scattered. Headlamp beam on the jars, black beyond. + S

火川 벽

Close-up of a black basalt cave wall with two Chinese characters 火川 scratched into the rock 1,200 years ago, thin whit partly covering the strokes, one warm headlamp beam raking across the surface to reveal the carving. + STYLE + 동굴 추가

(글자는 생성이 틀릴 수 있음 → 편집에서 합성 가능. 생성은 "scratched characters" 질감용.)

R-GLOVE 장갑

Macro, a yellow rubber work glove wedged in a crevice of black basalt, coated in a crust of bone-white calcite with sma
grown on it, headlamp beam, black beyond. + STYLE + 동굴 추가

C. 지상

R-HOME 동수의 집

Small rural Korean house interior at night. One bare incandescent bulb. Low wooden table with one bowl of rice and one
Old CRT television glow on the wall. On the wall: a scratched white hard hat on a nail and a faded framed photo of a yo
a small girl on his shoulders in front of a utility pole. Warm, lonely. + STYLE

액자 디테일 Faded 2000s snapshot: a man in an orange vest carrying a 5-year-old girl on his shoulders, both squinting at the sun, concrete utility pole behind, Jeju black stone walls.

R-GATE 입구 (월정리)

Flat farmland in Woljeong, Jeju. Low black volcanic stone walls, a single concrete utility pole with wires.
Beside it a rusted steel hatch door set in a concrete frame at ground level, a small official sign on a post. Overcast

저녁 변형 Same place at blue dusk, hatch open, equipment cases around it.

R-2005 공사

2005, gray rain. An excavator digging a hole for a utility pole in a Jeju field with black stone walls. A worker in ora
and white hard hat at the edge with a shovel. Muddy ground, overcast. + STYLE

D. 확정 후 할 일

1. 각 자산 3~5회 생성 → 1장 확정 → 파일명 고정(R-DS25_front.png …)
2. 인물은 Nano Banana로 측면·손·전신 파생 → 같은 이름 규칙
3. 01_레퍼런스/ 에 저장. **이후 변경 금지**
4. 13번 샷리스트의 REF 열에 따라 첨부
